

PT-6200 Key Features

- Fanless Design
- 10.4" Touchscreen
- 3 Track Magnetic Card Reader
- 80mm Thermal Printer
- Modular Design
- Open Architecture

PT-6200
Revolutionary
all-in-one POS
solution

PT-6200: Revolutionary all-in-one POS solution

The PT-6200 is the revolutionary fanless all-in-one system for small and medium size enterprises. The compact, space saving design is ideally suited to many an application. Boasting a 10.4" touch screen the terminal also has an integrated 80mm thermal printer, 3 track magentic card reader and 2 x 20 VFD display. With multiple connections this product will link seamlessly with existing systems. Thanks to its small footprint and spillproof design it can be used in both hospitality and retail. The modular design also makes it easy to install and maintain.

Integrated 80mm Thermal Printer

Integrated Magnetic Card Reader

Integrated Customer Display

Modular Design
